Hello Everybody!

←**Saturday, March 20, 10am-12N. The Blue Cross Headquarters Tour is now a talk.** Citing security concerns during the national healthcare debate, Blue Cross decided to deny us admission to their landmark trapezoidal headquarters building in Chapel Hill. Unfortunately by then we already booked a plane ticket to fly in the building's original architect, [Charles McMurray](#) (formerly director of design at [Odell](#)).

Lesley and David McAdams have offered up their [cool modernist house in Durham](#) where Charles will speak

on this amazingly unique building, the story of how it was designed and constructed, and its unique strengths and problems – from crazy heating and cooling issues to all the glass having to be replaced.

Not quite yet complete, the McAdams' renovation has a beautiful new poured floor in the living area which is not yet furnished. So this talk is **BYOC** – bring your own chair! **There is a limit of 20 people but you must register**; details [here](#). **Free** – but we will be passing the hat to pay for the plane ticket.

←Don't miss out on [A4A: Appetite 4 Architecture](#) - [Cassilhaus](#), [Frank Harmon](#)/David Crawford, and [Vinny Petrarca/Will Alphin](#) have just two seats left each! Here's your chance to break bread with prominent members of the Triangle's design community in an intimate, small group setting - at excellent area restaurants such as Solas, 18 Seaboard, 618 Bistro, Margaux's, and Panzanella. A4A events begin at 6:30 pm and include three sumptuous courses (appetizer, entree, dessert) from a pre-selected menu plus coffee/water/tea, tax, and gratuity. Vegetarian options will be available. [Mod Squad](#) members and NCSU [AIAS](#) members receive a 5%

discount. **See the event list and register [here](#) before all the seats are gone!**

TMH is a partner with another A4A, **Appetite 4 Art**, an annual event designed to unite Triangle residents in an evening of fun, food and fashion. Appetite 4 Art brings together hip Raleigh residents, young professionals and prominent citizens of the Triangle area to enjoy an upscale event in a casual atmosphere. Proceeds benefit the seven Boys & Girls Clubs in Wake County. [Buy tickets](#), check out auction items, or [give them a shout](#).

Market News: FOR SALE – 1988 - 1440 Poinsett Drive, Chapel Hill. Designed by TJ Land. \$500,000, [here](#).

And after premiering at Ignite 2, I'm taking [Mayberry Modernism](#) on the road starting March 16! First stop – the AIA Winston-Salem Chapter.

Kind regards,

George
