**THE ARCHITECTURAL
REVIEW**
MIPIM For a global perspective

The Architectural Review, first published in 1896, is devoted to publishing the best architecture and environmental design from around the world. A well respected, thoughtful and critical vision of contemporary global architecture it is a stimulating, rich source of ideas and inspiration every month.

The Architectural Review invites entries to **The Mipim Architectural Review Future Project Awards 2004**.

MIPIM, the global property market, attracts over 16,000 delegates - the elite of the property world - to Cannes, France every March. For the 15th anniversary of MIPIM, the awards are divided into two branches; the long-running MIPIM Awards for completed projects and The Architectural Review Future Project Awards for unbuilt work.

The AR Award Categories: Retail, hotel and leisure • Offices • Residential • Regeneration and sustainability • Urban masterplanning • Tall buildings over thirty storeys

Closing date for entries: 6 December 2003
