AIA COLORADO 1985

AIA Colorado is the statewide representative and unifying body of the four Chapters of the American Institute of Architects chartered within the State of Colorado. The purpose of AIA Colorado, as stated in our bylaws, is to organize and unite in fellowship, the architects of the State of Colorado; to combine their efforts so as to promote the aesthetic, scientific, and practical efficiency of the profession; to advance the science and art of planning and building by advancing the standards of architectural education, training, and practice; to coordinate the building industry and the profession of architecture to insure the advancement of the living standards of our people through their improved environment; and to make the profession an ever-increasing service to society.

PROGRAMS AND SERVICES

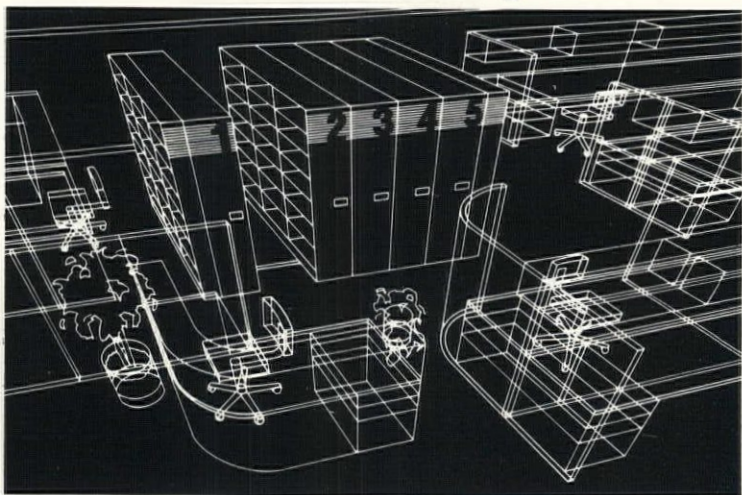

A brief outline of committees and services is listed below. The AIA Colorado Board of Directors invites and encourages you to become actively involved in AIA at the local, state and national level. Join a committee, suggest a new service, attend the 1985 Design Conference. Your input and suggestions are always welcome.

COMMITTEES

Board of Directors - James R. Morter, AIA, President - The Board is the governing body of AIAC and develops all positions and policies for the state. A permanent agenda item on the Board Calendar, "**Membership Input**," is reserved for **any** members to address the Board on **any** subject of concern. Call the AIAC Office for a time to address the Board. Meetings are held on the third Friday of each month at 2 pm.

Government Affairs - Chaired by Dan Havekost, FAIA, this Committee has taken a position on 34 bills during this session of the legislature. We are either supporting or opposing eight of these bills, and monitoring the remainder for one reason or another.

The Newest way to Save Valuable Office Space...

Spacesaver High-Density Storage Systems.

Movable storage components double storage capacity or save 100% of existing space.

Double storage capacity without doubling space? The secret is Spacesaver high-density storage systems.

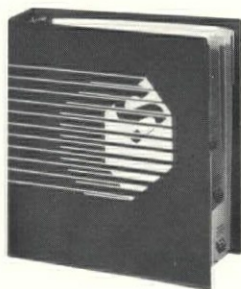

They eliminate non-productive aisles and compact material into half the space.

Unique system flexibility and design allows the architect or space planner to accommodate any material and incorporate new or existing storage equipment. And, Spacesaver works within any layout whether conventional or open-plan.

When performance counts.

The committee sponsored our first "Morning at the Capitol" event in which 60 architects and 25 legislators participated. The Committee is currently working on improvements to the Architects' Licensing Law which will be introduced by Representative Bob Bowen in the 1986 Legislative Session. The committee has an open membership and meets on the second Friday of each month at 2 pm in the AIAC Office.

This open committee meets on the first Tuesday of each month in the AIAC office at noon (brown bag).

Intern Development Program Committee - Chaired by Gerold Smith, AIA, this committee works with architects-in-training during their internships. The committee works with interns, employer advisors, and professional advisors to help interns fulfill the requirements established under IDP. IDP information packets are available from the AIAC Office. Any AIA Member interested in becoming a professional advisor should contact AIAC. This open committee meets monthly.

Design Conference Planning Committee - Chaired by John Rogers, FAIA, this Committee is responsible for planning the 1985 AIA Colorado Design Conference. PAST PRESIDENTS OF AIA COLORADO

Charter granted and received April 4, 1892

BACKGROUND - The Colorado Association of Architects was organized in 1890 and the elected officers were: Robert S. Roeschlaub - President, Harold W. Berresen - Vice President, Eugene R. Rice - Secretary, and Frank E. Edbrooke Treasurer. The same men were re-elected to office at the Second Annual Meeting held December 21, 1891. The main topic of discussion that evening was submitting an application for a charter as a chapter of the American Institute of Architects. The charter was received April 4, 1892 and included the states of Colorado, Wyoming and the territory of New Mexico. It wasn't until 1947 that each state had its own chapter.
