THE HISTORY OF THE EDUCATIONAL FUND COLORADO SOCIETY OF ARCHITECTS, AIA by Kenneth R. Fuller, FAIA emeritus

Since the first \$600 scholarship was presented in 1961, the Educational Fund has awarded more than \$500,000 in scholarships, grants and other prizes to over two hundred students, architects and teachers. Each person is a better professional today because of this Fund. The 1995 awards program totaled \$30,000 from income received through investments, donations, memorials, etc. This figure is more than 10 times the amount set up in the original Trust Fund in 1934.

During the past decade, substantial contributions have been made to the Fund by individual architects as memorials. Some have endowed to immortality certain named scholarships. Significant donations have also been made in the past by individuals and organizations allied with the construction industry, to endow annually other scholarships. Frequently, donors send a check to the Fund in lieu of flowers to memorialize a deceased friend.

The consensus from the Fund's Trustees over the last several years has been that we must broaden our scope of activities to do more to financially assist AIA Colorado and its four chapters so that AIA can conduct real "live-wire" Professional Education Programs. Requests for such Grants should be submitted to: The AIAC Educational Fund, 1615 California Street, #508, Denver, CO, 80202. It is also the consensus of opinion that we need to strengthen our efforts to seek new funds in the way of endowments, donations, budgeted items, memorials, etc., from the Chapters and the membership at large.

The Educational Fund was born 62 years ago out of the devotion of five men to the practice of Architecture. On January 23, 1934, Robert K. Fuller, FAIA, announced on behalf of himself and four other men, the creation of a special Trust Fund: "to advance the interest of the profession of Architecture in the State of Colorado."

CHAPTER REPORTS

AIA Colorado South Chapter

February's program will be a workshop on the 1994 UBC given by Ben Weese of the Pikes Peak Regional Building Department. Upcoming programs scheduled include a presentation of the Colorado College Master Plan and a presentation of a trolley system for Colorado Springs. **Clifford Nakata, AIA**, will be the 1996 AIA Colorado South Design Awards Chair. The South Chapter is also beginning distribution of the "Blueprint for the Future" poster, teacher guides and educational materials. The South Chapter also hosted a booth at the Colorado Springs Home Building and Remodeling Show February 1-4 at the Colorado Springs Equestrian Center.

Denver Chapter

AIA Denver has hired a new Executive Director, **Daphne Scott-Monroe** (see article on Page 9). The Spring Breakfast Seminar Series runs Tuesdays from April 2 through May 14 at the Denver Design Center, 595 Broadway. Breakfast begins at 7:00 AM, the seminars begin promptly at 7:30 AM, and all seminars qualify for Learning Units. The theme of the Spring series is Case Studies, and the schedule is Programming (4/2), Design Process (4/9), Codes (4/16), Healthy Buildings (4/23), ADA (4/30), Computers (5/7), and Historic Preservation (5/14).

AIA Colorado North Chapter

On January 6, the combined boards of 1995 and 1996 held a meeting at Andrea's in Lyons. 1995 business was completed and the new board embarked on their year ahead. A retreat for the new board was also part of the day's activities. General discussion was held about projects, goals and tasks for the North Chapter for 1996. The first regular board meeting will be the 13th of February (Tuesday) from 3:00 PM to 5:00 PM. The location is to be announced.

AIA Colorado West Chapter

The 1995 Colorado West Awards announcement and presentation will be made at a reception and dinner on Saturday, February 10 at 6:00 PM at the Aspen Meadows. **Susannah Reid, AIA**, will host the event. The jury will be chaired by Anthony Pellicchia, AIA, of WPA in Seattle, Washington. For more information, call Susannah at 970/920-9225. **Renee Dake, Associate AIA**, is developing a directory for the West Chapter. Please call AIA Colorado if you have any address, telephone or fax changes.

Education Fund (Continued from Page 1)

This wasn't its true beginning, however, it was the realization of a 10 year dream of Robert Fuller, FAIA, William E. Fisher, FAIA, George H. Williamson, FAIA, William Bowman, AIA and Fred Montjoy, AIA. Their dream had long been "to provide an instrument whereby, someday, sufficient income would be realized to be able to award scholarships, grants,

prizes, etc. to the betterment of the profession." (All "quotes" are from the original article.) The first aim of the Trust Fund was quite modest: the assets were to be "held intact and allowed to grow" until the principal would be large enough to ensure a "good annual return therefrom." The founders hoped that the amount in the Fund would serve as a "nucleus" that would increase in value and, now that it was formally established, also attract additional donations. By 1944, however, no new contributions had been received and of the five founding fathers of the fund, only the Fund's Chairman, Robert K. Fuller, survived.

On December 18, 1944, the Trust Fund was transferred to the Colorado Chapter, AIA (predecessor of the Colorado State Society of the AIA and now AIA Colorado) as a Chapter Investment Fund. Robert K. Fuller was designated its Permanent Trustee. By early 1961, the Fund had achieved its first aim "...a good annual return." It was then deemed necessary to incorporate as a separate tax free entity to be known as the Educational Fund, Colorado Chapter, AIA. On February 16, 1961, the Fund was incorporated as a separate tax free, non-profit corporation, under that name. Its broad purpose, as reported in the December 1961 issue of the Colorado Chapter, AIA newsletter, "The Addenda," was (and remains today) "to advance education in Architecture by granting of scholarships, prizes and financial aid to deserving students in Architecture and to teachers or architects interested in research projects directly related and of value to the Architectural profession."

At its November 1961 meeting at the old Boulder Country Club, the Colorado Chapter, AIA awarded James E. Koentop, a fifth-year Architectural engineering student at the University of Colorado, the \$600 William E. Fisher Memorial Scholarship. This was the first scholarship awarded by the Educational Fund, Colorado Chapter, AIA. It had taken only 27 years for the five founders' original dream (to be able to make such awards for the betterment of the profession) to come true.

Robert K. Fuller, FAIA, died in 1966, and the Colorado Chapter, AIA asked his son Kenneth R. Fuller, to assume the responsibility of the position of Permanent Member of the Board of Trustees, which he accepted. Further changes occurred in 1969 when following the restructure of the AIA in Colorado into a State Society with two chapters (now four) the Fund's name was legally changed to the Educational Fund, Colorado Society of Architects, AIA...to ensure the Fund's continuity and maintain its statewide orientation. The Board of Trustees of the Educational Fund, Colorado Society of Architects, AIA, by the Articles of Incorporation, consists of the following officers: Educational Fund President—President of Colorado Society of Architects, AIA; Educational Fund Vice President—President Elect of Colorado Society of Architects, AIA; Educational Fund Secretary/Treasurer—Permanent Member, Kenneth R. Fuller, FAIA Emeritus.
