#### **About This Addendum...**

Following the release of AIA Colorado's *2006-07 Firm Profile & Membership Directory*, several errors were brought to our attention. It is important to AIA Colorado that a valuable member resource like the firm directory be as accurate as possible. Therefore, we have created the following addendum to the *2006-2007 Firm Profile & Membership Directory*.

Designed to be kept with your current directory, the addendum contains revised listings for several firms, individuals and professional affiliates.

Our sincere apologies to those who were affected by the errors; we actively are taking steps to improve the data verification process for the directory.

In reviewing the addendum or originally published directory, please contact AIA Colorado if there is an error with your listing so that we can have it corrected for future editions. We also encourage you to contact us anytime that there is a change to your firm or contact information.

Thank you again for your consideration, and we look forward to working with you in the coming months as the data verification process begins for AIA Colorado's *2007-08 Firm Profile and Membership Directory*.

Sincerely,  
Sonia Riggs  
Executive Director
