TOUGH

Al Gardner of the American Coating Company really is a tough guy. Especially when it comes to selecting high performance coatings. He's not sold on "frills." Al only wants to apply coatings that he knows will be performing long after the project has been completed.

He knows PRC Permapol® Based Coatings and Sealants outperform every other coating system in the industry. That's why American Coating Company installed PRC's PR-480/486R decking system for the upper parking level of the Waiakamilo Business Plaza. For quality and performance long after the project's completion, you can't beat PRC!
