Allied Builders

artfully brings
Australian Consulate
 into modern age . . .

The work of Honolulu's Australian Consulate-General never ceases. When Allied Builders was asked to execute major expansion improvements, great diplomacy was needed.

Australian-made modules were integrated with American materials, requiring metric-American conversions and complicated scheduling. And the Aussies specified a first-class finish to TRB Hawaii's contemporary design.

Recalls the owner's rep: "The contractor responded with sensitivity, speed and skill. We like the results."
