It's almost as easy to operate a Fax

as it is to find the right one.

Fax machines are the easiest, most effective way to send documents.

And the simplest way to find the right fax for your business is to visit Phone Mart.

As Hawaii's one-stop fax shop, we carry a variety of facsimile machines in a range of prices. And you can even order a new phone line for your fax while you're picking out a machine. Plus, financing and maintenance contracts are available for all fax purchases.

And of course, Phone Mart's knowledgeable reps are always nearby to assist you.

For more information, just visit any Phone Mart. Or call the Hawaiian Tel Telemarketing Department at 520-4473. It's that easy.

Beyond the call

Don't Compromise... Galvanize!

When the Friends of Iolani Palace brought in Alex Klahm & Sons to restore the gates at Iolani Palace, their goal was to preserve the entrance for generations to come. They chose galvanizing for the protection they knew would provide them with years of maintenance free service.

Like the Friends of Iolani Palace, we at Jorgensen Steel pride ourselves on paying strict attention to detail. From the critical cleaning and preparation stage to the actual hot zinc bath, we monitor every step for your protection.

Corrosion costs you money. Call us today.
