THE PRICE OF FREEDOM JUST WENT DOWN.

Now you can go anywhere with a pager from Hawaiian Tel, for less. \$45.50 less, to be exact.

Why? Because Hawaiian Tel has just done away with the connection charge. (For good. This is not a price promotion.)

To find out more about the complete line of Hawaiian Tel pagers, call our Mobile Communications office at 732-9500 (on Kauai, Maui, Hawaii, call 1-800-232-8822).

You'll find the freedom you've been looking for.

High Touch Produces High Tech for Amfac

Craftsmanship and diplomacy remain the watchwords of general contracting excellence.

At Amfac Information Services' new center, designed by TRB Hawaii to meet the need for state-of-the-art data processing, project execution demanded a top crew. Variables were many, including coordination with a Texas based technical consultant.

"Allied Builders dealt with the multiple tasks superbly, finishing the job on time with the professional skill we have come to count on from their people," observed TRB principal Cliff Terry.

Observed Amfac's David Enersen: "Our completion date was engraved in granite. It was a complicated project . . . we were impressed with Allied's totally professional performance."
