When you select appliances for your home-show exhibit, you want real show-offs. Appliances that give your display a competitive edge. Quality appliances from GE. The ones people remember. With eye-catching styling. The newest, most noticeable features. And very

reliable performance. Equip your model kitchen with quality GE appliances. And get the best advantage from your home show exposure.

We bring good things to life.

President's Message

7 Designing Our Preferred Future: A Retrospective View

This past year, highlighted by looking at and planning for the future, has progressed almost as planned.

by Carol S. Sakata, AIA

HS/AIA Orientation

10 Meeting Design Challenges for More Than 60 Years

In many ways, the Society's history reflects changes in Hawaii during the past six decades.

14 HS/AIA Committees: The Commitment Lives On

Current committees address public awareness, membership service and government affairs, three issues vital to the continuing practice of architecture.

Reflections '89

18 Thank You for Your Support

The Society acknowledges those who helped construct and furnish its newest office.

by Norman G.Y. Hong, AIA

20 The Most Significant Architectural Event of 1989 Was . . .

Architects statewide complete this statement.

by Bianca Kaplanek

22 Going Against the Grains

A sand castle competition highlighted Architects Week on the Big Island.

24 One Architect's Climb to the Top

Every Sunday morning for the past seven years, Hans Riecke has ridden his bicycle halfway up Haleakala.

by Hans Riecke, FAIA

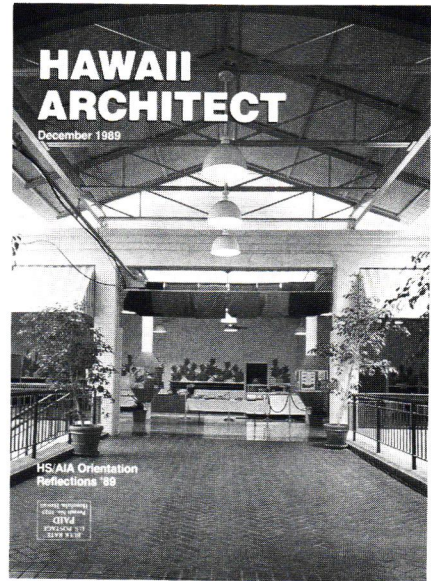

28 Both Are Called Architecture

There is a common thread linking futuristic city forms and the ancient Grecian temple.

by Andrew Charles Yanoviak, AIA
