Allied Builders

helps usher in a new era at Makaha

Nitto Hawaii Company, Ltd. commissioned architect Akira Kawabata to revitalize the aging east course clubhouse of the Makaha Valley Country Club. His design doubled the original 8,000 square feet, calling for a spectacular sculptured lobby fountain, grand-scale dining area and a second floor fit for elegant entertaining.

Allied Builders matched that plan with first-class execution: They produced a sound second story topped with new shake roofing, effected major structural changes, and processed dozens of client-requested change orders—while business as usual continued at the club. All this, and they finished on time.

Observed Kawabata: "Allied's people were sincere, cooperative, truly committed and totally capable. It was a complicated project that went extremely well."

**Teamwork. Our motto.
