The Hemmeter Corporation Building at Number One Capitol District in downtown Honolulu is an aesthetic and functional standard of excellence in interior design. Enhancing the vestibule leading to the executive offices is a floor of white marble with black granite inserts. A border of brown marble was added to complement the old world warmth and charm of the entire area. Our elegant marble squares travel in the best circles.

Sound Barrier

Don't forget the characteristics of masonry that's most often overlooked.

Add it to the characteristics that are well-known: ease of installation, durability, easy maintenance, fire resistance, termite resistance, high strength, insurance friendliness, ready availability, cost effectiveness, beauty...

Whatever you do, do it with blocks!
