## When you need a contractor to beat the clock and not cut corners...

...the craftsmen from Allied Builders come through. At City Bank's new data center in Mapunapuna, Allied finished 70 days early in executing intricate plans from GTE Hawaiian Tel and Geoffrey Paterson & Associates.

"They don't just talk teamwork, they get right down and *do* it," recalls GTE Hawaiian Tel's Project Manager Mark Peterman. "We had a fairly tight space, a lot of equipment, and needed everything yesterday."

"I'd say they almost made 'yesterday' our move-in date," adds a pleased Ben Fong from City Bank, who monitored the job carefully. "There was quality performance from infrastructure on out."

"We always like working with Allied," notes Paterson, the project architect. "They understand design, respect budgets, stay ahead of problems and get along well with people."
