# All single ply roofs are not created equal.

**CARLISLE**

**The Bankers Life Printing & Supply**  
Des Moines, Iowa  
Fully Adhered Roof Carlisle System A  
Drake Roofing, Inc.  
Des Moines, Iowa

## The roof that's got the future covered.

You probably already know about the many benefits of single ply roofs over traditional built-up roofs. Benefits that are making "single ply" the new industry standard. But you should also know that all single ply roofs are not the same. Carlisle offers you all these major exclusives:

**Carlisle** produces and applies Sure-Seal® elastomeric membrane—the single ply sheet we pioneered more than 23 years ago.

**Carlisle** has single ply roof applications successfully in place for over 20 years now. Roofs that stubbornly refuse to crack or leak after two decades of punishment by the sun, rain, wind, hail and snow.

**Carlisle** produces factory-fabricated single ply sheets in super huge dimensions. In fact, we offer single sheets as big as 45 feet by 150 feet, which minimizes field seaming.

These are some of the features that have made the Carlisle Sure-Seal roof *the single best, single ply system*. You owe it to yourself to find out more. Call or write today!

**Carlisle** provides one-source reliability. Everything you need—membrane, sealant, flashing and accessories—comes from one reliable American source.

**Carlisle** operates an ongoing and mandatory two-day training school for single ply applicators, to assure top quality workmanship in every Sure-Seal roof.

**Carlisle** single ply roofs receive a five-year "watertight warranty" that can be extended for an additional five years!

**Carlisle** single ply roofs are backed by nationally respected Carlisle Tire & Rubber Company—leader in the research, engineering and manufacture of waterproofing materials for almost three decades.
