Great Brick. Consistent Quality. Beautiful Results. Good Team.

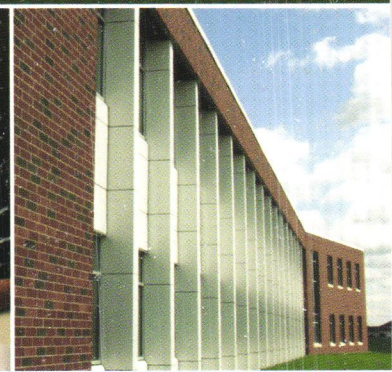

Since 1913

A history of flexibility to meet the challenges of evolving design choices has produced brick for many beautiful projects.

Collaboration with architects and builders from start to finish enables our team to anticipate and meet design challenges. Thanks to OPN Architects, Inc. for being our design partner on this project.

Our team of experienced, customer oriented people work hard to make your design concepts become reality.

Thank you to those of you who use our brick. We appreciate it.

CAN FABCON PANELS SAVE THE PLANET?

Introducing VersaCore+*Green*[™] Environmental Stewardship that Performs

Maybe you're green or maybe you're just thrifty—either way, Fabcon's VersaCore+*Green* precast panels make a world of sense. Our panels contain as much as 58% recycled content.* Equally important is what you'll get out of them: lower heating and cooling costs. VersaCore+*Green*'s proprietary mix and unique construction combine to deliver R-values that reward your good behavior with real savings. The bottom line: you save the planet and you save some money. **To request additional**

information, including our Engineering Details CD, Finish Guide or Product Catalog, visit www.Fabcon-USA.com/1041 or call 800-727-4444.

BETTER, STRONGER, FASTER
...and Greener!

*VersaCore+*Green* contains up to 58% post-consumer and post-industrial recycled content by materials value
