## Travel Like It's 1938

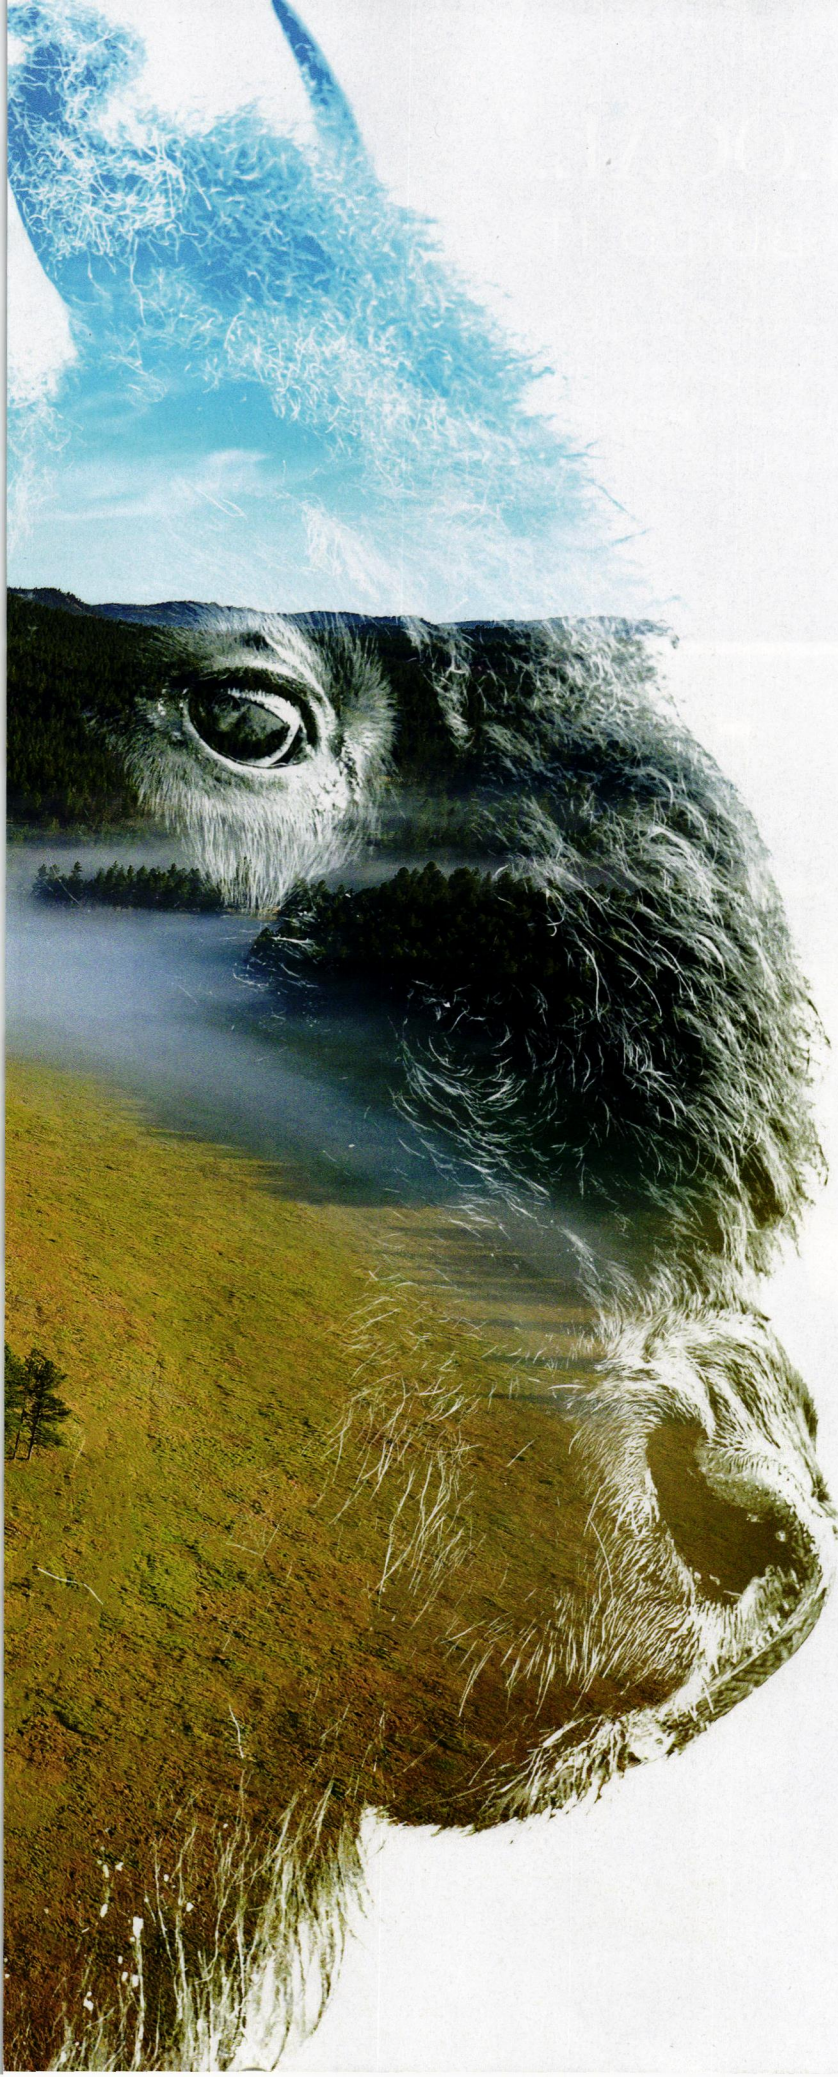

*We dusted off  
an 80-year-old  
guide book just  
in time for  
summer fun!*

An aerial photograph of a lush, green forested valley. In the foreground, two hot air balloons are visible: one on the left with a blue, white, and red design featuring stars, and one on the right with a blue and green striped pattern. The middle ground shows a misty valley floor with scattered trees and a small clearing. The background consists of rolling hills covered in dense evergreen forests under a bright blue sky with wispy clouds. A large, stylized lightning bolt graphic is positioned in the upper right corner of the sky.
