Welcome to the fourth day - and fourth edition - of ArchNewsNow.com!

Four more days - and counting! The newsletter will begin e-mailing to subscribers next Monday, February 25th. (It's a simple, no-hassle subscription form, so if you haven't subscribed...please do).

I will be attending the 2002 Business Week/Architectural Record Awards program at the Rainbow Room in Manhattan today, and will report any juicy tidbits tomorrow!

Coming soon: feature articles, special sections, industry links, an extensive industry calendar, and much more.

Please spread the news!
