

Today's News - August 12, 2003

Four "don'ts" for 9/11 memorial include no swagger and no despair. – Tribute in Light will return once a year. – Redevelopment plans complicated (again). – Portland waterfront district "architectural team holds plenty of promise...but risks...buildings rising like bowling trophies from lifeless streets." – Italian regional headquarters competition "a challenge which will also be an aim for beauty" (one can always hope). – Scottish design competition faces Bilbao backlash from Scottish architects. – Charleston art center design debate: Duany says Stern "happens to be one of the architects who really knows what he's doing...Why are you fighting the good one?" – Russian city treasures new modern masterpieces. – Another bad report card for San Jose library. – Wineries getting lots of attention these days. – Neighborhoods hitting 50 clamor to be designated historic. – Almost lost row house becomes city showcase. – Sears mail order house saved and moved. – Finding bones in Ben Franklin's basement. – Buffalo adding to its Frank Lloyd Wright legacy. – Finding a dream job online (ANN chimes in with comment).
