

## Today's News - October 1, 2003

More sparkling starchitects attached to Ground Zero. – Urban sprawl vs. smart growth. – Pioneering prefab: a new wave of affordable homes (but what will they look like?). – A scary trend: government claiming private property to give to private developers (will our house be next?); in Scotland, it's an architect wanting to demolish. – On a more positive note: clients as unsung heroes. – Chicago's Soldier Field a lesson in what not to do in LA. – Brooklyn and Baltimore use culture (and the same architect) for urban renewal. – A university building that "says not only 'stay the course,' but also when in doubt, play it safe." – Koolhaas loves Chicago. – Green office a model of inspiration. – Rolex mentor program winds up as a success.
