

Today's News - November 15, 2005

Taliesin West loses its founding dean. – A call for high-density on higher ground in rebuilding New Orleans. – Brooklyn's Atlantic Yards offers a cautionary tale in backwards planning and a reversal in the public process. – Singapore and South Korea sign a Memorandum of Understanding for Design Cooperation to improve economics and quality of life. – While Seoul picks its best buildings, still complaints of foreign invasion, suspicion of local talent; conference and exhibit extol local talent. – Sizing up suburbia on both sides of the Atlantic. – Preservation and public process issues in Charleston and New York continue to broil. – Jacksonville's new library is "five stories of style." – Detroit holds high hopes for high design for new FBI HQ. – Phyllis Lambert wins 2006 Vincent J. Scully Prize. – Forbes list of 10 architectural tastemakers. – Legorreta retrospective in Mexico City shows his passion (but, surprisingly, no mention of Barragán or affordable housing). – Chicago exhibit highlights five women architects who are "breaking up of the old-boys' club" and raising lots of questions, while a new book offers a "magisterial account" of the First Chicago School.
