# DON'T DENY YOURSELF THE PLEASURES OF LIVING WITH A GENIUS.

Few would argue that Frank Lloyd Wright was the most influential and innovative architect of our era. During his lifetime, his design

ideas literally changed the face of America.

His architecture was modern before the word was ever used to describe architecture. And for his buildings, he created furniture, stained glass, fabrics, rugs and tableware, that look as fresh and surprising today as they must have seemed startling then.

Unfortunately, until now very few people could enjoy the privilege of

living with his brilliance.

Today, four special companies known for their commitment to excellence, have joined together to bring

Frank Lloyd Wright into your house.

Under the careful guidance of the Frank Lloyd Wright Foundation, heir to his drawings, designs and philosophy, these

exclusively authorized designs

are produced to the exacting specifications of Frank Lloyd Wright's original intentions.

Frank Lloyd Wright once stated, "Whether people are fully conscious of this or not, they actually derive countenance and sustenance from the

'atmosphere' of the things

they live in or with." Now is the

time to invite Frank Lloyd Wright into your home, and discover the pleasures of his genius.
