Doris Stanley visited a house she helped design for the first time since it was built - in 1960 - last week! The Bream House is for sale.

Support Modernist Preservation:

- **Paschal House Petition:** The heirs of Raleigh's **1950 Paschal House**, a masterpiece by early NCSU School of Design faculty member Jim Fitzgibbon, have **solicited a proposal to deconstruct** the house, so the clock is ticking on Raleigh's most important endangered mid-century modern. Overpricing the property (as it has been for five years) keeps it vacant and vulnerable. You can help influence whether this iconic home is saved - or goes vanishes like the Catalano House did in

2001. Help save the long-empty and still-savable property through [signing the petition here](#).
