The spectacular 1973 Arthur and Florence Larsen residence in Durham was commissioned to Chapel Hill architect [Jon Condoret](#) in 1971. Over the next few decades, the Larsens frequently entertained their friends and fellow Duke faculty, including many classical music concerts in the large living room. Originally, the Larsen house was 4825 sf. When the Larsens sold, new owners engaged a renovation designed by California architect Fu-Tung Cheng and built by Landmark Renovation. Landscape architect Judy Harmon did the entry design. In 2011, there were master bedroom renovations, expanding the house to 6040 sf. [Advance discount tickets](#) are only available through April 8, then it's **\$10 at the door.**
