MOD WATCH

Mod Watch keeps an eye on the North Carolina buildings you love. You can keep the NCMH community updated by checking the demolition/building permits each week. Reply with any news.

Hey Raleigh: Know anything about this Milton Small masterpiece at **912 Williamson Drive** undergoing an interior renovation by **Hilary Farr** and the crew of Love It or List It? This could be very good or quite bad for one of North Carolina's best examples of mid-century Modernism. Will we Love It or Hate It? Stay tuned.

Dead Mod Walking 2015: The old gal's **still standing** but we don't know for how long. Please help NCMH monitor when Milton Small's masterful 3515 Glenwood building, first photo, receives the demolition permit online here. The site was approved last year for a three-story 72,963 square foot replacement, second photo.
