**All Points Bulletin:** Still no clues on our Raleigh Modernist mystery house. This 1960's modern, designed by **Don Statham**, is (or was) somewhere between Rembert Drive and North Hills. The concrete screen is similar to one on Yadkin Drive. **A \$25 Starbucks card** goes to the first person who can provide an accurate current or past address.

One of North Carolina's endangered Modernist houses is back on the market after nearly being rescued. The 1951 A. M. and Ruth

Fleishman Residence, 2614 Morganton Road, Fayetteville NC.  
Designed by Greensboro's Edward Loewenstein. Jim Brandt was the draftsman. Built by Ed Rynick. It has been vacant for several years but appears recoverable. The price has been lowered and appears to be negotiable. Details in the Endangered Section. Contact agent **Jim Massengill**, 919.805.4617.

**Dead Mod Walking 2015:** Now several years vacant, the great old gal's **still standing** but we don't know for how long. Please help NCMH monitor when Milton Small's masterful 3515 Glenwood building, first photo, receives the demolition permit online here. The site was approved in 2014 for a three-story 72,963 square foot replacement, second photo. Or, the owners could change their mind and lease the place -- or agree to sell it. **Vacancy helps no one.**
