SOLD OUT

The July 2 [Taylor House](#) tour in Chapel Hill is sold out. There are no day-of-event tickets available. We do need three volunteers in exchange for free admission. Please reply to this email with your name and phone number.

Intrepid volunteers **Virginia Faust** and **Catherine Westergaard Cramer** were honored recently for their service and dedication to NCMH's mission of documentation, preservation, and promotion of Modernist houses. Virginia tirelessly (as in just about every single day, for years) maintains the [For Sale](#) section you all love to browse every week, keeping newly available houses front and center so they don't stay vacant nearly as long. Catherine, who doesn't even live in this state, has researched several thousand Modernist houses across the US for NCMH's [Masters Gallery](#), documenting the country's best houses, many of which were lost to history for decades. Without these two incredible contributors, NCMH would not have the extensive archives it does today!
