outside of Winchester, is being given away! It is a Henry Dole Norris design.

Norris was a plan book architect whose designs were built all over the US. This model was featured in the September 1967 Better Homes and Gardens and was one of his most popular designs. The owner is willing to donate the home to anyone who wants to move it. However, the countdown clock to demolition is ticking. Construction on a new house begins on the site in about 2 weeks. The owner is also willing to let people disassemble pieces before demolition if the house is not moved. Contact Joanne Kennedy at (703) 727-2595. Note: the house is not on a public road and can only be seen by appt.
