US Modernist Radio is back for a second year! Today's show: Evil Lairs: with special guests **Adele Cygelman** and **Christine Madrid French**. If you've seen a thriller like *North By Northwest* or *Diamonds are Forever* (or many others since) you may have noticed that the bad guy has impeccable taste. The classic villain has custom-tailored suits (or dresses, let's not be sexist), a high-end car you can't even buy used at Carmax, a British or vaguely Russian accent, and a gorgeous Modernist house, preferably with a killer view as certainly there will be some killing going on. Listen/download on ITunes or or on your PC at Libsyn.
