Authentic. Unique.

Considered one of the country's most comprehensive private communities, Ocean Reef Club is located on the northernmost tip of Key Largo, Florida, and has America's only living coral reef in its backyard. Situated on 2,500 acres of unspoiled paradise, Ocean Reef Club offers a long list of unsurpassed amenities to its Members. From world-class fishing, only minutes away from the Club's private 175-slip marina, to snorkeling and scuba diving, two 18-hole championship golf courses, and 12 tennis courts, Members have endless ways to enjoy the days at The Reef. Additional offerings include a cooking school, over a dozen restaurants and lounges, nature center, cultural center, medical center, 20 shops at the quaint Fishing Village, a private airport and more.

For those seeking comfort in this standard of living, Ocean Reef Club offers an array of real estate choices suited to meet your personal needs and compliment your lifestyle. From waterfront estates, single-family homes, villas and golf condominiums to marina dockage and distinctive homesites with enviable views overlooking the Atlantic Ocean. More importantly, each property at Ocean Reef comes with the security of knowing you and your family can enjoy this Unique Way of Life.

Like no other club.

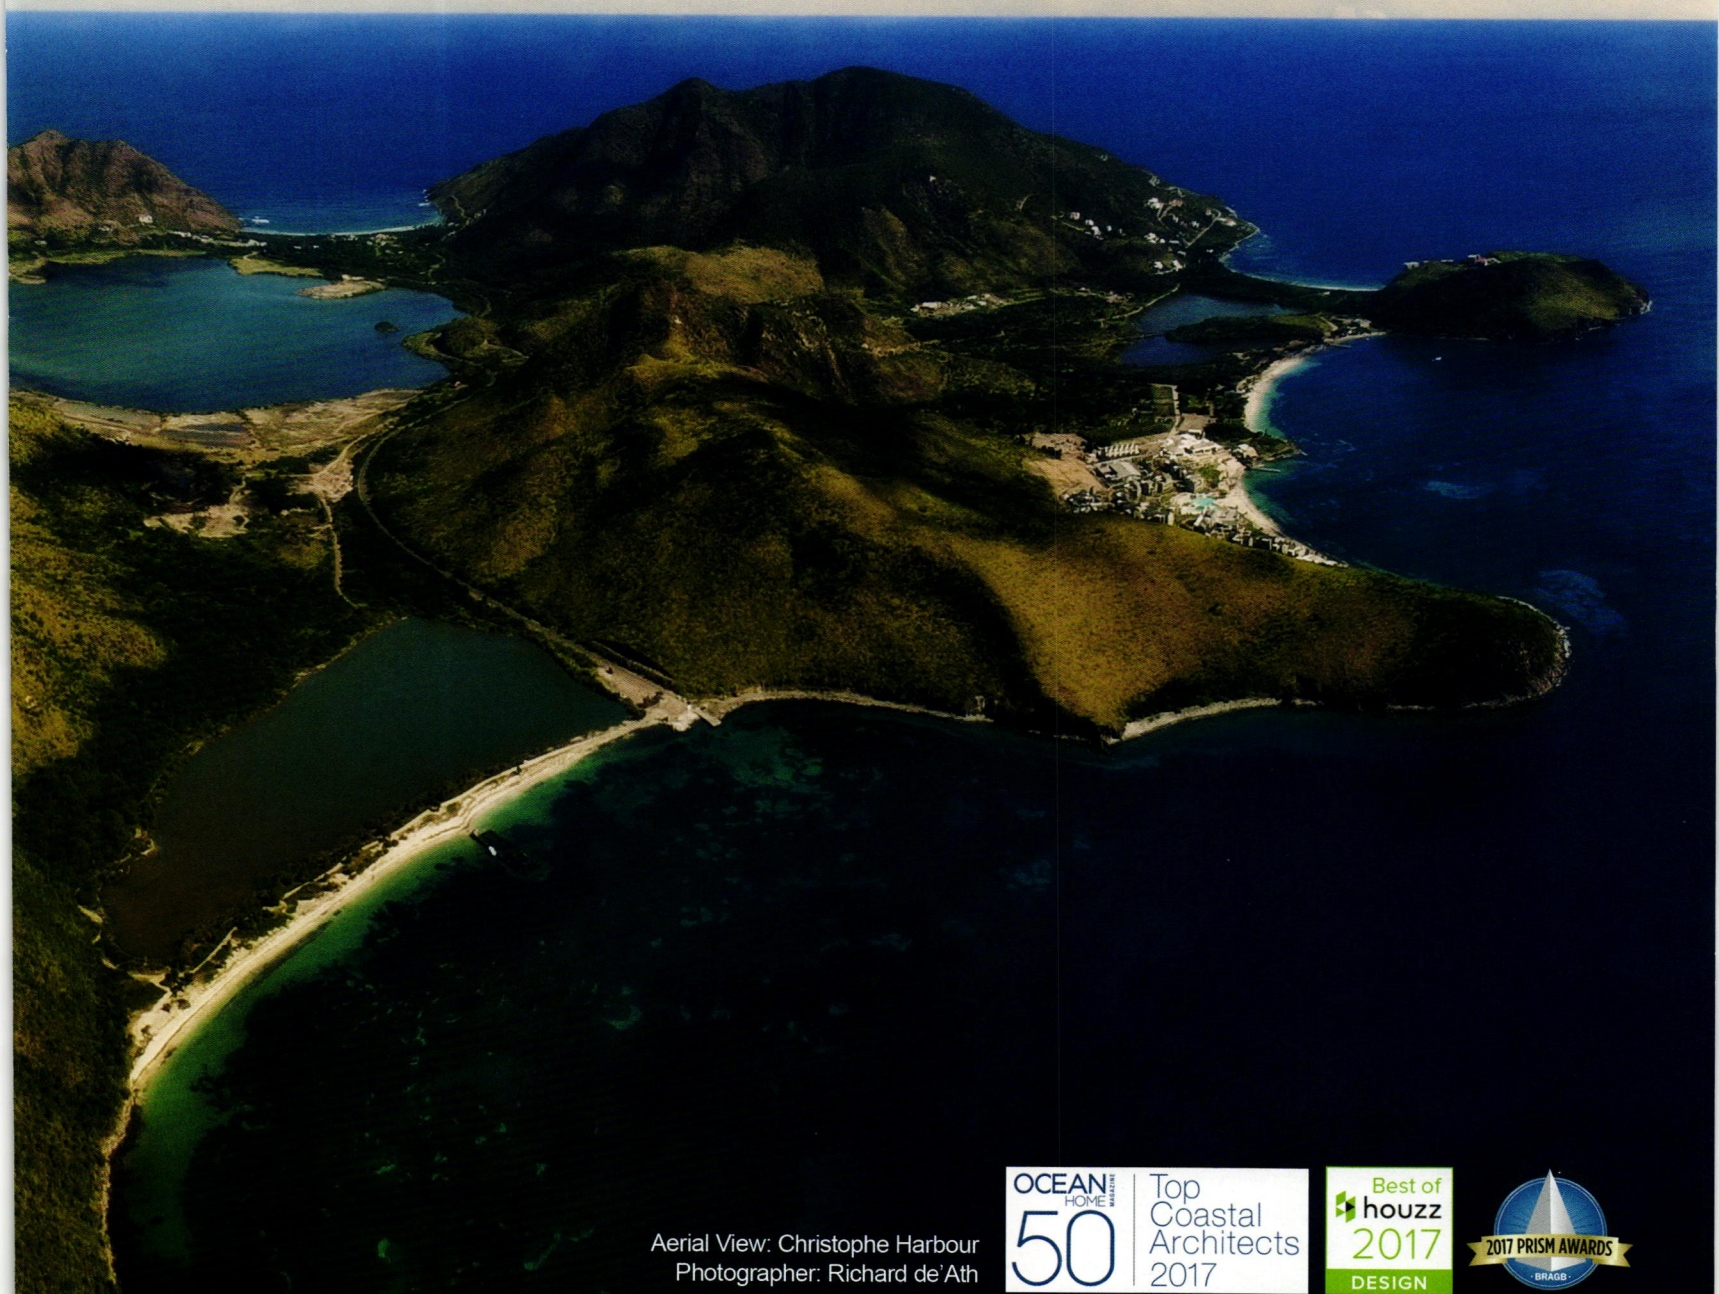

EXPLORE NEW TERRITORY

MOREHOUSE MACDONALD AND ASSOCIATES, INC. an internationally recognized architecture and interiors firm, is currently designing custom residences in US and foreign territories, with active projects in Greater Boston and Cape Cod, MA; historic Charleston and Kiawah Island, SC; Nevis, and Christophe Harbour in St Kitts, West Indies.

We believe that sophisticated design is more than a great concept; it is a distinct expression of your desired lifestyle. Isn't it time you explore new territory?

MMA, Inc. - Member of the Christophe Harbour Preferred Architect program.
