Peace of mind,  
now available  
in Kona and Fawn.

As the leader in stain-resistant decking, high performance AZEK® Deck is engineered to resist stains, scratching and splitting for long-lasting beauty and durability. In fact, easy-to-install AZEK Deck has the look and workability of wood and it weighs about 40% lighter than composites. And now, it comes in two rich and earthy new colors: Kona and Fawn. Visit [www.azek.com](http://www.azek.com). **Designed to last. Beautifully.**
