

Frank Harmon Architect • Raleigh, North Carolina

2012-08-01

The new three-story [AIA NC Center for Architecture and Design](#), in downtown Raleigh, North Carolina, was designed by [Frank Harmon Architect](#) and is the firm's new home. Photo: Courtesy Frank Harmon Architect PA
The offices of [Frank Harmon Architect PA](#) have been relocated to the third floor of the [AIANC Center for Architecture and Design](#) in downtown Raleigh -- the building that Mr. Harmon designed for the American Institute of Architects' North Carolina chapter.

Harmon's firm now occupies 1750 square feet (163 square meters) of the top floor of this three-story building on the corner of Peace and Wilmington Streets, near the Government Complex. The building itself was completed in December 2011.

The firm's new address is:

14 East Peace Street
Raleigh, NC 27604

The phone numbers will remain the same:

phone: 919-829-9464
fax: 919.829.2202
