Construction has begun on the new 235,000-square-foot (22,000-square-meter) expansion of SFMOMA in San Francisco, California. Scheduled for completion in 2016, the 11-story structure was designed by [Snøhetta](#). Until the building's reopening, SFMOMA will be staging exhibitions and other events at locations throughout

Present at the groundbreaking event were San Francisco Mayor Edwin M. Lee, SFMOMA Director Neal Benezra, Board Chair Charles R. Schwab, Board President Robert J. Fisher, District 6 Supervisor Jane Kim, and Snøhetta principal Craig Dykers.
