REDUCING ENERGY WASTE ACROSS WISCONSIN

Focus on Energy, Wisconsin utilities' statewide program for energy efficiency and renewable energy, helps eligible residents and businesses save energy and money while protecting the environment. Focus on Energy information, resources, and financial incentives help to implement energy efficiency and renewable energy projects that otherwise would not be completed.

Statistics taken from NCARB by the Numbers' survey data 2018-2020

A promotional poster for the AIA Wisconsin 2023 Design Awards. The background is a deep red with dynamic, swirling golden lines and light flares. The AIA logo is prominently displayed in the center in a large, bold, golden font. To the left, the text 'AIA Wisconsin' is shown in a smaller white font. Below this, the phrase 'CALL FOR ENTRIES' is written in white. Further down, in a small white font, it states: 'Open from May 1-June 30, 2023. Winners will be celebrated at the Design Awards Gala on September 15th in Milwaukee, Wisconsin.' At the bottom left, the website 'Info at wisconsinindesignawards.org' is provided. In the bottom right corner, the words '2023 DESIGN AWARDS' are written in a large, elegant, golden serif font.

TAKE ACTION

Established in 1978, The Wisconsin Society of Architects/Political Action Committee (WSA/PAC) fund is used to provide financial support for AIA Wisconsin's advocacy efforts. The funds are distributed to bipartisan members of Wisconsin's legislature to help further the mission of AIA policies and support or oppose bills that affect our members' practice and the profession of architecture. Please DONATE today to ensure that our voices are heard!

JOIN the Wisconsin **DEI** CHALLENGE

STEPS TO JOIN THE CHALLENGE

Take the Pledge

The first step for your company to join the Wisconsin DEI Challenge is to take the pledge with us to improve DEI efforts in the workplace.

Become an Ally

The second step in aligning your company with the Wisconsin DEI Challenge is to become an annual contributing partner to Wisco NOMA during the term of your commitment.

Complete Intake Form

The third step is to complete the Firm Intake Form, which will be utilized to gather baseline data about your organization. This will be repeated in the future for comparison.

Conduct Survey

The fourth step is to conduct the employee survey. Please distribute the link below to all employees who work in your Wisconsin locations. Firm offices outside of the state are not recommended to comment.

Upload Documents

The fifth step is to upload all completed documents. These documents are to be uploaded to the AIA Wisconsin server link provided. All survey results are confidential and are only used for Wisconsin DEI Challenge analysis.

Not ready to join the Challenge? Become a FRIEND by making a monetary contribution to support the work of the Wisconsin DEI Challenge.
