

ArchNewsNow Today

March 1, 2002

To subscribe to the free daily newsletter [click here](#)

Welcome to the ArchNewsNow.com home page!

Very shortly this site will be hosting feature articles, special sections, a comprehensive industry calendar, and much more. We welcome comments, suggestions, and submissions.

Monday we e-mailed the daily newsletter to our subscribers for the first time...right on schedule!

Our software development team is committed to keeping our Web site pages and the newsletter very small so the site will remain very fast, and the newsletter won't clog up your e-mail.

Kristen Richards, Editor-in-Chief

[De-constructing our built environment: Discarded construction materials account for a large proportion of the world's waste. But a change in design approach could dramatically reduce this waste. \(Build Magazine\)](#)- Strategic Data (New Zealand)
