

## Today's News - January 8, 2003

No Gold Medal, but lots of AIA Honor Awards. --The failure of architectural education: "...training has not prepared [American architects] intellectually to think about how to create a captivating, monumental urban symbol..." -- An insider's view of the architecture biz in Dubai. -- Slow-growth zoning an experiment to watch. -- It takes a President for downtown revitalization in Little Rock. -- A non-profit and Santa Monica take years to make peace. -- Hawker centers in Singapore go upscale. -- LifeWise House: good timing (and a good idea). -- An international shortlist for a tram. -- Retro called a no-go for St. Louis stadium. -- La Scala has Piano, but not all are happy. -- Arts colleges merging: a good idea? -- Design matches client ingenuity. -- Cloning icons. -- Fallingwater jewelry: pricey, but for a good cause.
