

## Today's News - December 16, 2003

Howe not a household name, but designed many familiar objects. – "Idea" by Libeskind and "given form" by Childs to be revealed on Friday. – A shortlist of eye-catchers to keep an eye on in 2004 includes most of the usual suspects - and a few surprises. – Vote for your favorite (and least favorite) public places. – Bids to uncover a "hidden gem": a 25-mile stretch along the Delaware River. – Big plans in Vancouver but no pictures allowed: a case of "too many hands on the steering wheel"? – Building - or at least paying for - affordable housing can add floors to luxury towers (and not only in New York). – Muschamp sounds overwhelmed by "our inadequacy as cultural stewards." – The conflict between religion and historic preservation. – Piano gets a resounding thumbs-up for his "Glass Shard," being "billed as London's Empire State Building." – Doms go from grotty to grandiose. – The Aga Khan builds an Ismaili Centre in Dubai. – Hospital plan in Charleston: less glass more brick? – Liverpool's first gallery dedicated to architecture as art. – City planner knows her architecture. – Good news for landscape architecture grads. – A grand list of Irish architecture prizes. – Just for fun: you, too, can build a bridge with a bit of paper and paste.
