

## Today's News - July 13, 2004

We lose an American preservationist and a British town planner. – When will "architecture and African American" not be an oxymoron? – Jackhammers continue to tear the heart out of Moscow. – Dirty design deals in Delhi. – Security a problem for flagship U.K. prefab housing project. – Chicago: "Windy City refers not to the weather but to the local penchant for bragging." – Anacostia River: big bucks for big plans: "Skeptics will say it can't happen, cynics will insist that it won't. But this is what smart cities do these days." – Shanghai's newest suburb: Canadian Maple Town. – Re-thinking reuse of abandoned big-box stores. – Changing lifestyles give architects "the chance to stray from the usual." – A truly green and architecturally engaging urban ecology center opens in a long-neglected Olmsted park. – Boston's Opera House rescued and restored. – A Bay Area architect stays true to the Bauhaus. – A global array of ASLA award winners. – Hoboken 9/11 memorial design decided. – BSA research grants granted. – Exhibit explores a long-overlooked architect of Detroit skyscrapers.
