

Today's News - November 30, 2004

A new arts center is a cultural haven in the Berkshire hills. – Safeguarding an Art Deco heaven in Indonesia. – U.S. cities echo with Islamic design. – An impressive shortlist of local/international teams vies for Malaysian turf club project. – Another shortlist vies to build in the Antarctic. – Museum of Bristol selects architect (don't expect a run-of-the-mill design). – A "shabby artery" being "remade as one of Toronto's most attractive thoroughfares." – A happy ending for La Jolla Playhouse. – Denver's already massive convention center gets bigger (but it's not all bad). – Whimsy wins over restraint in MoMA's garden. – Cookie-cutter schools don't bode well for communities. – Space architecture launches in Houston. – And the winners are: Cityscape 2004 Architectural Review Awards and Sustainable Leadership Awards. – New York City's cool site for Christo's Gates in Central Park. – Hugh Pearman's "Airports: a century of architecture" on bookshelves now.
