

Today's News - July 25, 2005

An eloquent tribute to a landscape architect who worked magic. – Criticism matters. – A critic takes on stadiums and "the modernist- and postmodernist-dominated architectural establishment." – Add a little auto-traffic, and struggling pedestrian malls might make it. – With £100bn-worth of new buildings in the offing, London's newest architecture gallery offers the what, who, and why. – New "smart" building materials to help clean the air. – Re-designing Miami's Design District. – An architect's grand designs for Glasgow. – A small Basque village with Bilbao dreams. – The Huntington Gallery spreads its wings. – A "petite peninsula" in New Jersey offers grand (and pricey) views. – Minnesota architects lend a hand half a world away. – An impressive list of winners: RAI's 2005 Victorian Architecture Awards.
