 Greeff Fabrics, Inc., San Francisco, by John Garrison, Showroom Manager, p. 121.  
 Combeau Industries, by White Marsh Interiors, Fountown, Pa., p. 122.  
 The Itkins, p. 123.
- Classified Directory Listings:**  
 Contract Manufacturers, Alphabetical, pp. 125-137.  
 Associations & Societies, p. 137.  
 Marts & Permanent Trade Exhibits, p. 137.  
 Showrooms, pp. 140-150.  
 Product Listings, pp. 152-251.

**Index of Articles: January-December 1971**, pp. 52-78.

## FEBRUARY 1972

- Senses Stimulated in Design by The Displayers**, pp. 36-43.  
 The Displayers, Inc., New York City design firm, creator of Western Forestry Center, applies exhibit techniques to interior space.
- Designer Reassesses Own Work at Photo Session**, pp. 44-51.  
 Philadelphia National Bank, by The Space Design Group, New York City design firm, makes use of a highly graphic architectural interior.
- Open Plan at University Provides Changeable Space**, pp. 52-57.  
 Design of Governors State University's temporary facilities, by Norman DeHaan Associates, Inc., accommodates itself to permanent facilities being built.
- Dormitory Design Lends Itself to Student Changes**, pp. 58-60.  
 Offenauer Towers, Bowling Green State University, Bowling Green, Ohio, designed by Harold A. Smith & Associates.
- Changing Design Concepts at College / University Expo**, p. 61  
 Fourth annual convention and school architectural exhibit of College & University Conference & Exposition.
- School Architectural Exhibit is Attention-Getter at AASA:**  
 Introduction, p. 62.  
 Convention schedule, p. 62.  
 Preview of exhibits, pp. 63-67.  
 List of contract exhibitors, p. 68.
- Point of View: Does Interior Design Deserve to be Buried**, by Arnold Friedmann, p. 8.

## MARCH 1972

- Coordinated Design From Many Design Disciplines**, pp. 40-49.  
 A profile study of Welton Becket & Associates, Architects & Engineers.
- Design Target: Humanization of the Medical Environment**, pp. 50-55.  
 A humanized medical environment and the needs of the medical community are compatible when environmental designer and manufacturer work together.
- The Health Care Contract Furnisher: How AHF Employs the Design / Build Concept**, pp. 56-61.  
 American Health Facilities, the contract design / planning / service arm of American Hospital Supply Corp., houses interdisciplinary design specialists under one roof.
- Interior System Coordinates Hospital Functions**, pp. 62-63.  
 Herman Miller's Co / Struc system coordinates hospital equipment.
- How to Specify Institutional Bedding**, by Ronald J. Shepherd, Executive Vice President, Spring Air Mattress Co., Chicago, pp. 64-66.
- Hospital Carpet Flammability Standards: Confusion Reigns**, p. 67.  
**Hotels / Motels / Dining Go Casual For Fun Image**, pp. 68-72.
- Point of View: Breakthrough in Fiber Technology Announced Without Fanfare**, by Walter Kleeman, Jr., NSID, IBD, p. 8.
- New Showrooms: Austin Productions Inc.**, by Wallace Farber; Wallpapers, Inc., by Harada & Meu, p. 14.

## APRIL 1972

- "High Style" Specifications Increase**, pp. 54-59.  
 Survey results of furniture designers and manufacturers.
- Seat Design Pitfalls are Commonplace; More Adjustability Needed**, by Walter Kleeman, Jr., NSID, IBD, pp. 60-63.  
 Work efficiency is directly affected by seating design.
- Storage Wall Layouts Achieve 25% Space Savings**, pp. 64-69.  
 Hugh M. Keiser Associates, New York City space planners, use corridor-eliminating design solution in Ted Bates & Co., and Lybrand, Ross Bros. & Montgomery.
- How to Write Specifications and Get Bids on Wood Furniture**, by Gerald F. Evans, Director of Purchases, Ohio University, Athens, Ohio, pp. 70-71.
- Interior Architectural Detailing: Elements Combined Into One System in Brokerage House Design Departure**, pp. 72-75.  
 Everything from lighting to underfloor wiring in one system in F.S. Smithers & Co., Inc., brokerage house designed by Dietrich & Rosenbaum, New York planning / design firm.
- Open Plan / Landscape Lines Expand**, pp. 76-85.
- Carpet Scope: Three Carpet Techniques Provide Access to Underfloor Ducts in Open Plan**, pp. 86-87.
- "Hospitality Now" Exhibit to Feature Furniture, Furnishings, at NRA Show**, pp. 88-91.  
 Preview of 53rd National Restaurant Association Convention & Educational Expo at McCormick Place, Chicago.
- Customized Period Pieces are Manufacturer Specialty**, pp. 92-93.  
 Many design options are offered by Louis Maslow & Son, Inc.
- Point of View: Step-By-Step Approach Needed to Get Client Approval**, by Guy Norman, President, GN Designs, Inc., and Guy Norman, Ltd., p. 10.
- New Showrooms: Concar Corp.**, designed by Richmond Manhoff Marsh, Inc.; and **Flinkote Co.**, designed by James Hamilton, p. 6.

## MAY 1972

- Preview of Neocon Highlights:**  
 Introduction, by Len Corlin, pp. 72-73.  
 Program and seminar highlights, pp. 74-75.  
 Neocon Represents Total Resources of Contract Field, by Thomas V. King, General Mgr., Merchandise Mart, p. 76.  
 New product introductions, pp. 77-93.
- AFM Contract Discovery Showcase Highlights 114 Lines**, p. 94.  
 American Furniture Mart show previewed.

INDEX OF 1972 ARTICLES—continued

**Unbelievable Problems Fail to Dampen Enthusiasm for Import Furniture**, pp. 66-69.

Importers outline variety of problems, yet imports are in demand for their advanced design and quality.

**Variety, Originality Typify Eurodomus Introductions**, pp. 70-71.  
Less plastic, more wood, leather typify Turin Furniture Fair.

**Scandinavian Furniture Fair: Wire and Wave Group is Winner**, pp. 72-73.

Usual high quality and simplicity is punctuated by wire, metal, and plastic plush in Scandinavia's furniture.

**Carpet Scope: Carpet Cigarette Burns Camouflaged by Dyeing, Printing Design Techniques**, pp. 74-75.

In printed and tak-dyed carpets, cigarette burns are minimized, disguised, or otherwise forgotten.

**Rip-Offs on Installation Sites—Preventable Client Headache**, pp. 76-77.

Tips on avoiding theft at job sites.

**Contemporary Quality Furniture Manufactured to Custom Order**, pp. 78-79.

Scope Furniture specializes in high quality steel and upholstered furniture lines made to specification.

**AUGUST 1972**

**Boise Cascade's Modified Open Plan Mixes Glass Walls and Partitions**, pp. 52-60.

Boise Cascade world headquarters designed by Skidmore, Owings & Merrill and Morganelli-Heumann & Associates.

**David Willson Predicts: Mylar to Replace Foils**, p. 61.

David Willson, President, Winfield Design Associates, interviewed by CONTRACT, predicts mylar popularity.

**Open Schemes Challenge Status, But Benefits Outweigh Disadvantages**, pp. 62-63.

Flexibility and lower cost mass changes are attractive benefits for both designer and client, who look on open plans as but one design solution.

**Wide Variety of Live Plants Need Special Care to Thrive**, by Jack Kramer, pp. 64-67.

Attention to heat and air-conditioning, lighting, location, and watering assures long plant life.

**Open Plan / Landscape Components:**

Planters Provide Decorative Appeal, pp. 68-69.

Systematic Approach for Work Stations, pp. 70-71.

Provide Partitions for Privacy, pp. 72-73.

Punctuate Plans with Plants, p. 74.

**Landscape / Open Plan Installations Feature Variety of Screens, Furnishings**, pp. 75-77.

Screen heights, constructions, colors varied for effect and utility, and to tap ceiling power sources.

**Carpet Scope: Tougher Synthetic Turf Grows Only in Application**, pp. 78-79.

Polypropylene and nylon "grass" carpeting is landscaping untouched areas of the contract market.

**Designs Influenced by Psycho-Social Factors Result in Happier, More Productive Employees**, by Sam A. Sloan, AIA, pp. 80-83.

Subconscious tendencies of people are measurable and should influence design criteria.

**New Showrooms: Congoleum Industries, Inc.**, designed by Tom McKiever, p. 6.

**SEPTEMBER 1972**

**The Sidewalks of New York Lead to Fun-Filled Furniture Festivities in Expanded Designer's Saturday**, pp. 56-64.

Fifth edition of Designer's Saturday.

**Carpet Scope: Carpet Guarantees—A Valuable Contract Tool or Just Another Merchandising Gimmick?**, pp. 65-68.

Specifiers weigh guarantees in terms of client protection.

**View of Furniture From the Inside**, p. 69.

Second International Woodworking Machinery & Furniture Supply Fair offers insights into furniture construction.

(Continued on page 68)

## INDEX OF 1972 ARTICLES—continued

**"Cells and Bells" Replaced by Flexible Space, New Teaching Methods in Open Plan Schools**, pp. 70-75.

Old school structures are being superceded by new living spaces that excite imagination and learning ability.

**"Ask the Experts" Seminar is One of Many Events Planned for Come to Market Week in New York**, pp. 76-81.

Preview of Resources Council-sponsored event.

**New Dimensions Format for NOPA Show in Chicago**, pp. 82-84.

Preview of National Office Products Association Annual Convention and Exhibit.

### OCTOBER 1972

**Protective Finishes, New Fiber Blends, Fire-Retardancy Pace Fabric Developments**, pp. 66-72.

**Boris Kroll Says: Designed Fabrics Surpass Solids**, p. 73.

More design in furniture fabrics to come, says Boris Kroll, President, Boris Kroll Fabrics, Inc., New York City

**Revealing Designs at Furniture Markets**, pp. 74-75.

Construction features stress minimal look in furniture.

**Everything Goes in Contract Wallcoverings**, pp. 76-79.

Specifier wallcovering choices remain eclectic.

**Carpet Scope: Soil-Hiding Nylons Conceal More Dirt in High-traffic Contract Applications**, pp. 80-81.

But dirt should be removed, say fiber producers.

**Cannell & Chaffin Commercial Division Uses Team Responsibility and Tight Job Control**, pp. 82-87.

Involvement in total environment spells growth and success for Cannell & Chaffin Commercial Interiors.

**New Architectural Concepts in NH&ME Education Exhibit: Introduction**, p. 88.

List of contract exhibitors, pp. 89-92.

Preview of products, pp. 88-93.

**Plan Room for Design Problem Solving to be Highlighted at Canadian National Interior Design Show**, pp. 94-96.

A preview of one of North America's contract shows.

### NOVEMBER 1972

**Experts Destroy the Art Mystique:**

**How to Judge an Artist and His Work and Framing Considerations**, by Elizabeth Weiner, Promotion and Marketing Mgr., Nabis Fine Arts, Inc., pp. 58-60.

**Mediums Available to the Designer in Developing Art Programs**, by Judith Selkowitz, Judith Selkowitz Fine Art, p. 61.

**Art Mix is Key to Development of Appreciating Art Collection**, pp. 62-65.

Examples and sources of art available to the specifier.

**"We'd Prefer Using Stock Rather Than Custom,"** pp. 66-72.

That's the consensus of a cross-section of designer/specifiers, who claim that it is not ego but client need that dictates custom specs.

**Custom Used in More Than 20% of Contract Commissions**, pp. 72-80.

Range of custom work varies from complete designs to modifications of existing designs called "customizing."

**Carpet Scope: Custom Offers Widest Design Flexibility Without Blowing the Carpet Budget**, pp. 81-84.

Mystique of custom carpet smashed, as experts detail advantages and considerations of custom specification.

**Store Design Moves to Ultra-Flexibility in Designs by Copeland, Novak & Israel**, pp. 85-89.

Increased productivity at two installations due to new modular design and lighting innovations.

### DECEMBER 1972

**IBD: Professionalism, Expansion, Education are Goals of Institute of Business Designers**, p. 49.

A series of articles salutes IBD, a growing force in contract.

**Organization of Professionals Vital to Industry Standards**, by Stuart John Gilbert, IBD National President, p. 50.

**Expanded National Programs Planned by IBD**, by Charles S. Gelber, Board Chairman, IBD, p. 51.

**IBD Provides Instant Identification for Professionals**, by Morton Marks, Jr., Chairman, IBD Membership Committee, p. 52.

**IBD Regional Chapters Proliferating Quickly**, p. 53.

Chapters being formed in all areas of the country.

**Award Winners Sum Up the Best of Contract**, pp. 54-55.

IBD honors designers and manufacturers for design efforts.

**A Portfolio of Projects by IBD Members**, pp. 56-61.

**First Pure Office Landscape in U.S. at Mercedes-Benz Features Specially Designed Furniture and Building**, pp. 62-66.

Systems concept for improved communications and paper handling, as well as new furniture designs, created after exhaustive research, by planning team that includes: The Quickborner Team, Hans Krieks Associates, The Grad Partnership.

**Filing Techniques Become Movable, Flexible, Hidden**, pp. 67-71.

Maximum utilization of filing space in wall systems and mobile units typify filing market developments.

**Carpet Scope: FTC and CRI in Hot Controversy Over Flammability Tests**, pp. 72-73.

Carpet & Rug Institute says testing techniques unfair, don't really test carpet flammability, as FTC takes self-righteous stance—to discomfort of industry.

**Booming Year Predicated for 1973 Markets**, pp. 74-78.

All indications point to a smashing year for the contract industry, according to current trends diagnosed by operators of major marketplaces.
