HORIZON
A Magazine of the Arts

551 FIFTH AVENUE, NEW YORK, N.Y. 10017

EXPLANATORY NOTE: This index covers the seventh year of HORIZON, A Magazine of the Arts, published quarterly as a periodical in book form—i.e., with hard-covers and without advertising.

HORIZON's purpose is to unite art and ideas in a modern "museum without walls," a handsome showcase for man's creative talents from the cultures of the past to the flowering of tomorrow's civilization.

The index is divided into two parts:

Part one, the General Index, is an index of subjects, authors, names, places, and titles appearing in the four issues which comprise the seventh year of HORIZON, Winter, 1965, through Autumn, 1965.

Part two is a separate Index of Illustrations. Because of the emphasis placed on pictorial reproduction, illustrations are listed by title.

Additional copies of this seventh Annual Index, as well as the Indexes for the first six years, are available at \$1 each. A hard-covered Five-Year *Cumulative Index*, completely cross-referenced and containing a special Index of Illustrations, including all entries for the issues from September, 1958, through November, 1963, is available for \$3. Indexes may be ordered from the magazine's Sundry Department, 239 Great Neck Road, Great Neck, Long Island, New York.

From September, 1958, through November, 1963, HORIZON was published bi-monthly. Beginning with the Winter 1964 issue, HORIZON has been published quarterly.

Beginning with VOLUME III, Number Five, May, 1961, HORIZON has been indexed in the *Reader's Guide to Periodical Literature*, available in most libraries.

INDEX OF ILLUSTRATIONS

A LISTING OF ALL ILLUSTRATIONS BY SUBJECT, ARTIST, AND TITLE

HORIZON places great emphasis on fine pictorial reproduction. As André Malraux has so aptly put it, thanks to photography and modern reproduction techniques any man can—for the first time in history—bring all the world's art before his eyes in a "museum without walls." Part of HORIZON's purpose is to serve this function, to provide an imaginary museum of art and artifacts, both old and new. To that end, the guide below lists both artist and title of the many works of art which have appeared in the Winter 1965 through Autumn 1965 issues.
