Support Cool Houses as Art - and the Triangle as our Museum!

The Mod Squad is the annual fund for Triangle Modernist Archive, Inc., an award-winning nonprofit educational archive for cataloguing, preserving, and advocating modernist residential design in the Triangle area of North Carolina. Through our website, Triangle Modernist Houses, we host popular modernist house tours several times a year, give the public access to the Triangle's most exciting residential architecture, raise awareness about the importance of design on everyday life, and help preserve modernist houses for future generations.

The Mod Squad's mission is to provide financial and volunteer support, generate buzz and public enthusiasm, and encourage donations for major projects. Mod Squad financial support provides much-needed revenue for innovative programming and builds the future for Triangle modernist design.

With your financial support, we can more aggressively take on specific preservation and development efforts. Previous donations have made TMH the largest website of its kind in America. Please note that founder George Smart and the Board of Directors do not receive any salary - all donations go to expenses and project funding. For a donation at least \$100.00, Mod Squad donors receive: A Mod Squad Limited Edition Baseball cap; Free admission to our 2009 single-house tours and \$5 off other 2009 events; Inclusion on our exclusive Mod Squad GoogleGroup, with first notice on TMH tours, lectures, gatherings, and other events - before the main list, before the public, before the media!
