WESTERN CONSTRUCTION EQUIPMENT DIRECTORY

JANUARY ISSUE

A large directory of construction equipment manufacturers and their Western distributor outlets is bound into each January issue.

This annual comprehensive reference book is of great usefulness to all buyers and users of construction equipment in the thirteen Western states (includes Alaska and Hawaii).

Major divisions of the directory are: Manufacturers Section, Distributors Section, Products Section, and Trade Name Section.

REGULAR DEPARTMENTS

In addition to the articles listed on the preceding three pages, the monthly issues of Western Construction contained the following regular departments:
